

Heat Resistant Hastelloy B2 Flat Plate Sheet For Demanding Environments

Our Product Introduction

for more products please visit us on victory-alloy.com

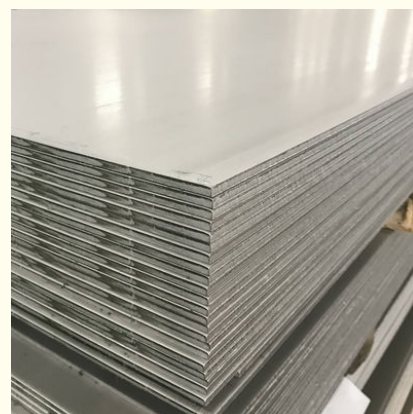

Basic Information

- Place of Origin: China JiangSu
- Brand Name: Victory
- Model Number: Hastelloy Plate

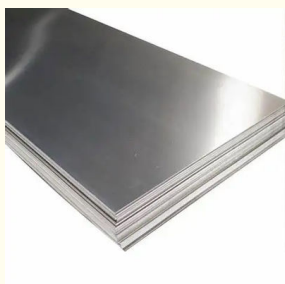

Product Specification

- Package: Wooden Boxes Package
- Shape: Flat Plate Sheet
- Surface Finish: 2B, BA, No.1, No.4, No.8, HL, 8K, Mirror Finish And So On
- Applications: Chemical Processing, Pollution Control, Flue Gas Desulfurization Systems, Waste Treatment, Pharmaceutical And Food Processing Equipment
- Surface: 2B No.1, 2D
- Heat Resistance: High
- Condition: Forging
- Equal Grade: UNS N10276, Hastelloy C276,
- Highlight: **Heat Resistant hastelloy plate, B2 hastelloy plate,**

Product Description

Applications:

The Hastelloy Plate has a surface finish that includes 2B, BA, No.1, No.4, No.8, HL, 8K, Mirror Finish, and so on. This feature makes it suitable for various applications and occasions. The width of the plate ranges from 1000mm to 2500mm, which makes it versatile for multiple uses.

Due to its excellent corrosion resistance, Victory Hastelloy Plate is ideal for applications that require resistance to harsh chemicals. It is often used in the chemical and petrochemical industries, power generation, and pollution control. The product is also suitable for use in marine environments, where it is exposed to saltwater and other corrosive agents.

The Hastelloy Plate is also an excellent choice for the aerospace and aviation industries where it is used in the manufacture of aircraft components and gas turbine engines. The product is also used in the medical industry, where it is used in the production of medical equipment such as pacemakers, heart valves, and orthopedic implants.

Victory Hastelloy Plate is an equivalent grade of UNS N10276, Hastelloy C276, which is a popular choice in the industry. The product is tested and certified to ensure its quality and reliability. It is a durable and long-lasting product that can withstand harsh environments and conditions.

In conclusion, Victory Hastelloy Plate is an excellent product that can be used in many different applications and scenarios. Its high-quality Hastelloy material and excellent corrosion resistance make it a popular choice in the industry. Whether it is for use in the chemical and petrochemical industries, power generation, aerospace and aviation, or the medical industry, the Hastelloy Plate is a reliable and durable option.

Customization:

Victory Hastelloy Plate include:

Brand Name: Victory

Model Number: Hastelloy Plate

Place of Origin: China JiangSu

Sample: Allowed

Stock: Always In Good Stock

Surface Finish: 2B, BA, No.1, No.4, No.8, HL, 8K, Mirror Finish And So On

Equal Grade: UNS N10276, Hastelloy C276

Width: 1000mm - 2500mm

Our **Hastelloy Plate** product is made of high-quality **Hastelloy Alloy** material, specifically **Hastelloy C276**. With our customization services, you can ensure that your product meets your exact specifications and requirements. Contact us today to learn more.

Support and Services:

Hastelloy Plate is a high-performance alloy that is known for its excellent resistance to corrosion and high temperatures. To ensure that our customers receive the best possible product performance, we offer a range of technical support and services:

- Material selection guidance
- Customized product design and fabrication
- Technical consultation on product properties and performance
- Quality control and testing services
- Product documentation and certification

Our team of experts is dedicated to providing comprehensive support and services to ensure the success of your project. Contact us for more information.

Packing and Shipping:

Product Packaging:

All Hastelloy Plate products are carefully packed in wooden crates or pallets to ensure safe delivery.

The crates and pallets are securely strapped and wrapped with plastic to prevent any damage during shipping.

Each crate or pallet is clearly labeled with the product details and handling instructions.

Shipping:

We ship our Hastelloy Plate products worldwide using trusted carriers who specialize in handling fragile and heavy items.

Shipping times may vary depending on the destination, but we will provide you with an estimated delivery date when you place your order.

You will receive a tracking number once your order has been shipped, so you can track your package's journey to your doorstep.

FAQ:

Q: What is the brand name of this product?

A: The brand name of this product is **Victory**.

Q: What is the model number of this product?

A: The model number of this product is **Hastelloy Plate**.

Q: Where is this product manufactured?

A: This product is manufactured in **China JiangSu**.

Q: What are the dimensions of this product?

A: The dimensions of this product vary depending on the size ordered. Please refer to the product specifications for more information.

Q: What is the material of this product?

A: This product is made of **Hastelloy** , which is a high-performance nickel-based alloy.
